WHY CHARLESTON?

There is no place quite like Charleston. The city features a unique blend of historic preservation and new development, displayed in its cobblestone walkways and eerie cemeteries, buzzy nightlife and sophisticated art galleries. Its unique brand of Southern style shines in the bespoke boutiques that line downtown's King Street, while Southern hospitality radiates from the award-winning dining establishments.

ECS Charleston opened in 2008 and has been "Setting the Standard for Service" for over 8 years. On the back you will find out more reasons why ECS Charleston.
