WHY KNOXVILLE?

Knoxville, Tennessee is often described as a hidden gem. First-time visitors are typically amazed by all this city has to offer. The fact that some of its most appealing attractions are within walking distance of a very vibrant downtown is a plus. Very few places offer the opportunity to experience live music, culture, outdoor adventure, eclectic shopping and highly acclaimed cuisine in one unique location. It’s no wonder that Knoxville was recently named by Trip Advisor as a Top 10 Destination on the Rise. In this one, unique city, mountains meet music... art meets adventure... and culture meets cuisine.

ECS Knoxville opened in 2014 and has been "Setting the Standard for Service" for over two years now. On the back you will find out more reasons why ECS Knoxville.
