**WHY RALEIGH?**

Raleigh is North Carolina’s capital city where the best of technology, education and life sciences intersect to create a dynamic southern metropolis. From sports and outdoor recreation, to arts and culture, there is something for everyone.

ECS Raleigh opened in 1993 as the first office in North Carolina. In 1977, Henry Lucas graduated with a Masters in Civil Engineering from NC State University. Eleven years later, he co-founded ECS. On the back you will find out more reasons why ECS Raleigh.

THINGS TO DO

RICH IN HISTORY
The first ECS project was pressure-meter testing in a local hotel. Our founder, Henry Lucas, completed the job in the mid 1970s.
