WHAT HAS BEEN THE LARGEST CONTRIBUTOR TO THE GROWTH OF YOUR CAREER WITHIN ECS?

I have worked under some great people as I have progressed in my career. The Wilmington Office became a stand-alone office in 2003 when Walid Sobh came to run the office. I learned an incredible amount under Walid. He believed in me and allowed me to progress in my career. As an Assistant Branch Manager and as a Branch Manager I have worked under great people who have taught me so much. Some of these people include Steve Neas, Steve Gosselin, Derek Clyburn and Paul Blake.

WHY HAVE YOU MADE ECS YOUR COMPANY OF CHOICE?

I feel fortunate to have spent basically my entire career at ECS. I have three kids between the ages of 19 and 30 that were born and grew up while I was with ECS. I have been provided with so many opportunities to advance in my career. I have worked with some incredible people while with ECS. We have such a great core group of staff in our Wilmington Office that have worked together for such a long time. We have several people that have worked together for nearly 20 years. We are truly like family. It's nice when you enjoy going to work.
