

ECS EMPLOYEE SPOTLIGHT

WHEN DID YOU START WITH ECS?

March 2021

WHAT POSITIONS HAVE YOU HELD WITHIN ECS?

- Construction materials testing technician
- Facilities Technician
- Facilities Staff Associate I

WHAT CERTIFICATIONS/EDUCATION DID YOU OBTAIN TO HELP WITH YOUR CAREER?

I studied Architecture at Kent State University which helped with some background experience both in CMT and Facilities. I obtained my Concrete I, Soils I and Radiation Safety certificate before transitioning to Facilities few months later where I obtained my NRCA and Certified Waterproofing Inspector certificate and still plan on furthering my career with more advanced certifications as I go.

WHAT HAS BEEN THE LARGEST CONTRIBUTOR TO THE GROWTH OF YOUR CAREER WITHIN ECS?

My supervisors and mentors. Good leadership is a very crucial part of an employee's motivation and growth. I have been fortunate to have supervisors, Chase and Ryan, who train me and put extra time and dedication to make sure that I'm not only working my projects everyday but give tips, tricks and one-on-one trainings with a lot of patience for me to understand to make sure I get the job right and I do it flawlessly, hence my growth. Also, fortunately, ECS itself is a company that is ready to move you further along in your career easily with proven hard work.

WHY HAVE YOU MADE ECS YOUR COMPANY OF CHOICE?

I wanted to experience construction and engineering firsthand on project sites after being in the design world. Since joining, I have been fortunate to understand the behind-the-scenes, managing projects, assessments, design consulting and seeing the project progress firsthand— the full 360!
